CHERRY SOAP

PRODUCT DESCRIPTION

PetraShield™ Cherry Soap is an ultra thick, highly concentrated liquid soap that quickly removes dirt, leaving a clean and film free surface. This product is specially formulated to create a high volume of suds. PetraShield™ Cherry Soap is safe for all paint finishes.

FEATURES

- Red liquid with cherry scent
- Highly concentrated
- Low alkalinity (pH 9.5)
- High, stable foam
- Film-free rinsing
- Biodegradable

BENEFITS

- Highly concentrated and able to be mixed with water, PetraShield™ Cherry Soap is cost effective.
- PetraShield™ Cherry Soap is safe for all paint types because of its pH balanced formula and non-streaking properties.
- The stable foam of PetraShield™ Cherry Soap lifts and holds dirt in suspension and promotes film-free rinsing.
