H₂O-X WATER PROTECTOR

PRODUCT DESCRIPTION

H₂O-X™ is a long lasting glass treatment product that forms a chemical bond with glass which increases water repellency, causing water to bond and easily shed off glass for superior visibility.

FEATURES

- Clear scent-free liquid
- Promotes automobile safety through improved driver visibility
- Bonds with glass for improved performance
- VOC Compliant

BENEFITS

- H₂O-X™ repels rain for improved vision
- Reduces glare in rain, especially at night
- Easier to clean ice, snow, dirt, and bugs
- Helps glass fight hard-water marks
- Safe for windshields, glass mirrors, and other glass surfaces
