PETRA CERAMIC GLASS + SEALANT

PRODUCT DESCRIPTION

Ceramic Glass + Sealant by PetraShield™ is a high-performance 9H ceramic coating engineered to deliver a brilliant, mirror-like gloss with long-lasting protection. Formulated for extreme durability, it provides superior hydrophobicity, scratch resistance, and UV defense. This advanced sealant bonds to painted surfaces to create a hard, transparent shield that repels water, dirt, and contaminants—preserving the finish and making future cleaning effortless.

BENEFITS

- 40 mL glass bottle will do complete vehicle.
- Can be used on all painted surfaces, glass and wheels.
- Extremely easy to apply. Great for start-up detailers looking at entering the ceramic paint protection market as product is easy to apply, and the opportunity for failure is very small.
- Product lays down an ultra-slick, durable, glossy and extremely hydrophobic coating.
- Provides excellent scratch resistance and UV protection.
- VOC Compliant

For professional use only: No. 9D002 / 40 mL

Consult Safety Data Sheet (SDS) for complete safety information.
